OFFICE OF THE DD/I

DATE 23 August 68

Mr. Smith

_{FROM:} Karl

SUBJECT: DDCI Memo on Handling of Indica-

REMARKS:

Admiral Taylor is concerned because an NSA message which might have alerted us to the impending Soviet move against Czechoslovakia, was not drawn to the attention of senior substantive officers (D/OCI in particular).

The Admiral requests that you advise him and the Director how the message was handled, and how to insure that such reports are made known to senior officers.
